General Information

The Stewart B. McKinney Assistance Act is the primary federal legislation that directly addresses the education of homeless children and youth. The McKinney Act is important in educating homeless children.

Should a student/family become homeless, as defined by the following criteria listed below, they should immediately notify their campus homeless liaison. The campus homeless liaison will provide the proper form(s) for documenting their new status and offer assistance as needed.

The federal McKinney-Vento Act and Texas state law guarantee that you can enroll in school if you live
