Yearbook Application Information

Dear Students,

We are excited to see so much interest in the yearbook program. Unfortunately, not everyone can be in the class. Therefore, we are asking anyone interested to go through an application process. This will help us select the most qualified students for the job. This process consists of 2 steps:

1. You must hand write a paragraph discussing this information:
 - a. **Describe** your qualifications and why you would be an asset to the yearbook staff.
 - b. **Describe** your photography experiences.
 - c. **List** types of cameras you have used.
 - d. **List** all computer experience.
 - e. What are your best **organizational skills**?

*Paragraphs must be turned in to the office when you turn in your schedules.

You must have 3 evaluation forms filled out; one of those must be from your **Language Arts Teacher**.

You will be responsible for handing the teachers the evaluation forms. The teachers will be responsible for giving the evaluation sheets to Ms. Gipson. Please let the teachers know they need to turn the evaluations in within 3 days of receiving them.

Other Requirements:

1. You must have a GPA of **90** or above.
2. Your conduct grades must be “**S**” or above.
3. You must have **transportation** and be willing to go to **extra-curricular activities** ranging from early in the morning to late in the evening.

If you have any questions or would like to turn in your paragraph via email this is my email address. jgipson@wyliebulldogs.org

Thank you for your time.

Jo Gipson
